

Writing Tips K-3

by Joe Gribnau

Have Fun ... Write because you love to write.

Read ... You learn how to write better from being read to and reading lots of stories.

Share Your Writing ... Let someone else read it and you read it to someone else.

Be a Secret Agent Listener ... Writers are good listeners. They hear things that give them ideas to write about.

Write, Write, Write ... Good writers are writing all the time.

Draw Pictures ... Draw pictures and then write about what you just drew.

There is one thing you need to do for these writing tips to work ... WRITE! Writing can lead you down an incredible journey. The fun thing is you never know where it will end!
